HOPE KOLKATA FOUNDATION

## National Boctors Day

Hope Kolkata Foundation is grateful to all its doctors and healthcare workers for their tireless service.

Their dedication has transformed lives and continues to create a positive impact among all HOPE community members.

## Congratulations

A participant from Hope Kolkata Foundation's residential centre won a drawing competition and brought back home a trophy!

Children from residential child care centres won several accolades at Taekwondo championships!

Children from the residential care centres finished as the first runners-up at The Upamanyu Mallik Cricket Tournament.

Child Watch attended a
workshop, Crime Against
Women and Child, organised by
Kolkata Police. It was a great
privilege to be in attendence
along with local and
government stakeholders.

An Eye Camp was organised by Child Watch in collaboration with Hope Hospital's Blindness Eradication project. This camp like the others extended healthcare to the streetconnected communities.

Students from different Livelihood courses graduated and attended the convocation ceremony. It was a proud moment for all facilitators and graduates.

Children from different projects celebrated Teachers' Day. It was a great opportunity for all the children to express their gratitude towards their guides and mentors for shaping their lives and futures.

Children of Hope Kolkata Foundation celebrated Durga Puja with a lot of excitement. They made their own idols and also went pandal-hopping. It was a great time filled with fun and laughter!
