October–December 2024

Hope Kolkata Foundation has been honored with the "Outstanding Contribution to Social Consciousness" award at The Eastern Indian Leadership Awards 2024. This recognition highlights the foundation's relentless efforts in driving meaningful social change. The achievement is a testament to the dedication of its team, whose unwavering commitment continues to transform lives.

HOPE is proud to announce that Abhishek Singh, a student from the Computer Unit, has been selected for the prestigious CCIP program to study at Valencia College in Florida, USA. We congratulate Abhishek on this remarkable achievement and wish him all the best for his future endeavors.

Children from HOPE's Residential Child Care Centres recently participated in a friendly football match with HSBC staff. The event was filled with energy and excitement as the children interacted with team members and enjoyed the game.

Children from HOPE participated in a cricket tournament and a capacity-building workshop organized by Pro Sport Development (PSD) in collaboration with The Upamanyu Mallik Initiatives (TUMI).

## #togetherwithHOPE

In December, ECGC supported HOPE Hospital by extending a Diathermy Instrument and Automated Microbial Identification System.

ECGC's ongoing support has been instrumental to HOPE's journey in serving the children and community of Kolkata.

Children from Brian's Way Resource Centre celebrated International Day of Persons with Disabilities at Science City Auditorium. Dr R K Sharma, Director of Science City Auditorium graced the celebrations with his presence.

Children from various projects celebrated Christmas and other festivals throughout the year. These celebrations were filled with their laughter and warmth.
